

## Mary Shea, Master Pilot Award, Then 'Got The Class III Blues ?'

Are you getting on in years? Have a medical issue? Worried about getting through a Class III medical exam? Thinking (reluctantly perhaps) about going Light Sport? Nothing strikes fear into the heart of a pilot more than the prospect of losing his/her medical and being grounded. In this seminar, Dr. Rose B. Ganim, a local Aviation Medical Examiner and owner/pilot, will demystify the process by reviewing the guidelines for each class of certificate, the so-called disqualifying medical conditions, and the process for obtaining your certificate by "Special Issuance." Some common scenarios will be covered, as well as a discussion of both prescription and over the counter medication use, and each airman's obligation to complete the 'IM SAFE' checklist.

**Directions:** I-91 to Rt-9 West, proceed 1/2 miles look for airport sign on left.
